Pitt Entry Term: Fall 20____ Spr 20____ Sum 20____

If it cannot be inferred from the course's title, attach a syllabus or course description so that we may determine whether the course material satisfies the provisional conditions of your admissions offer.

Note that credits for courses approved in fulfillment of a provisional condition cannot be transferred nor counted toward graduation requirements (i.e., credits earned for any class listed below will not count toward total credits required for graduation). If you took a prerequisite course at another institution, you must submit an official transcript.
